# Application for BIFA Associate Membership

The British International Freight Association (BIFA) is a trade association which represents UK companies engaged in the international movement of freight by all modes of transport:

A not-for-profit organisation, BIFA is funded by subscription and run by Members for Members, with a full-time Secretariat which administers the Association's affairs. BIFA provides an effective and proactive organisation dedicated to improving standards and professionalism in international trade.

## Becoming an Associate Member of BIFA

Associate Membership is open to those companies, associations and other organisations which, whilst not themselves engaged in the provision of international freight services, have an ancillary interest in the industry and wish to develop their interests through the Association.

By becoming an Associate Member you can link your company to the pursuit of excellence and quality in the transport and logistics sector.

## What will it cost?

An annual subscription costs £600.00 + VAT.

- A cost-effective way of promoting your company to a database of over 2,200 transport and logistics companies
- Inclusion of your logo on BIFA's website hyperlinked to your own website
- A dedicated Member profile page in BIFA's online Members' Directory, including your company logo which is hyperlinked to your own website
- Access to free advice and information
- Keeping in touch with the industry with free copies of the Association's monthly magazine, *BIFALink*, and other occasional publications
- Reduced rates for other BIFA publications, seminars and conferences
- The opportunity to contribute articles and information in the Association's publications
- Reduced rate access to BIFA's wide range of training courses
- The opportunity to contact all BIFA Trade Members, twice a year, through a listing in *BIFALink* of Associate Members, including company logos, descriptions and contact details
- Use of the widely-recognised BIFA Associate Member logo and an Associate Membership Certificate
